Super Load Move

Albuquerque, NM-The New Mexico Department of Transportation along with NM State Police, would like to announce that a Super load will be moving from Texas to Albuquerque during the evening hours on Friday, August 16, 2019 through Sunday, August 18, 2019.

The first leg of the trip will take place from US 380 to Vaughn.

On Saturday, August 17th, the super load will travel from Vaugh to US 60 in Bernardo.

The final leg of the trip will take place on Sunday, August 18th via I-25 from Bernardo to Gibson Blvd. arriving at its final destination at approximately 2 AM.

State police will provide an escort along the entire route for the move. The Super load will move at speeds of 10-20 MPH. NMDOT asks drivers to be aware of this super load traveling through our state and use caution and reduce speeds if you see it out on the roadway. Updates will be made to NMROADS.com as an alert of this move.
