Press Release

Pavement Preservation on US 60 Magdalena Area

Las Cruces - The District One office of the New Mexico Department of Transportation with Blue Collar Construction began a pavement preservation project June 3 on a portion of US 60 in the Magdalena area. The work consists of placing a chip seal and fog seal. The project runs from mile marker 117 to 92.5. The contractor is scheduled to be finished with the project by 5:00 p.m. on Monday, June 9.

The contractor will be working in five mile increments with lane restrictions in place. Flagging operations and a pilot car will be stationed within the work zone to assist with the movement of traffic. The project working hours will be Monday through Friday from 7 a.m. - 5 p.m.
