Traffic Advisory

**U.S. 84 North of Espanola to South of Abiquiu
Lane Closures To Begin Week of September 14**

North of Espanola - The New Mexico Department of Transportation will begin a hot mix asphalt overlay improvement project on U.S. 84 from mile marker 199.00 (north of Espanola) to mile marker 209.00 (Jct. of U.S. 84 & NM 554) just south of Abiquiu. This roadway improvement project is scheduled to be completed end of September 2015; weather permitting.

Starting September 14, from 7:00 a.m. to 7:00 p.m., the U.S. 84 northbound and southbound lanes will have intermittent one lane closures with a pilot car and flagger operation. The contractor will be working Monday through Friday with some weekend work. Traffic can expect delays during this time.

Brasier Asphalt, Inc. out of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Traffic Advisories and updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, <http://nmroads.com/>. You can also call the NMDOT's road hotline at 511 or 1-800-432-4269.
