Traffic Advisory - updated

## **Intermittent Closures on U.S. 82 near High Rolls Otero County**

**High Rolls** –The New Mexico Department of Transportation (NMDOT) will begin emergency repair work on U.S. 82 at mile marker 10 in Otero County east of High Rolls. This work includes the removal and replacement of the subgrade base material, install drainage pipe, backfill excavation, and replacement pavement.

The work is expected to start Monday, February 6 at 7:00 a.m., the U.S. 82 corridor between Cloudcroft and High Rolls – traffic control with pilot vehicles will be in operation to keep the roadway open during the emergency work. During the work, delays can be expected. The U.S. 82 maintenance work is expected to be complete Friday, February 10<sup>th</sup>, weather permitting.

Updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, [www.nmroads.com](http://www.nmroads.com).
