

Lazydays Rolls Out Full Featherlite Trailer Lineup

Trailers offer the best for pulling horses, cars and toys

Tampa, Florida ([PRWEB](#)) November 02, 2015 -- [Lazydays](#), the RV Authority and world's largest RV dealership, is proudly adding the full lineup of [Featherlite](#) trailer products to its dealership in Florida, complete with the widest selection of trailers for equestrian, livestock and racing lifestyles.

That includes combination trailers for accommodating both horses and people in luxury, as well as trailers for traveling with sports cars, racing cars and grown-up toys like quad runners and motorcycles.

“Featherlite is the premiere brand in both horse trailers and trailers for grown-up toys,” said Lazydays General Manager Ron Fleming. “Featherlite is a leader in innovation and we’re proud and thrilled to provide our customers with a full lineup of the trailers Featherlite offers.”

“What excites me about having Lazydays as a partner is the professionalism of the storefront and the customer service they provide,” said Featherlite National Sales Manager, Justin Queensland. “This is a great match with a premiere dealer like Lazydays. Featherlite has been the number one aluminum livestock trailer maker for eight years running – and we’re proud of that fact.”

For the auto enthusiast, there is a wide range of options from single-car carriers to extended trailers with all the feature of home – on the road. The Featherlite line of trailers will have a high profile in the Florida region as Lazydays is a sponsor of the Florida State Fairgrounds, where they will showcase Featherlite trailers during scores of equestrian events each year.

The new Featherlite trailers add to the wide range of vehicles and trailers at the expansive Lazydays property just east of Tampa. That dealership already has more than 1,400 RVs of all types and sizes and represents the largest selection of RV brands.
