**On-line Public Information Meeting to Discuss U.S. 285 and N.M. 31
Proposed Intersection Improvement Study**

CARLSBAD – The New Mexico Department of Transportation (NMDOT), Federal Highway Administration (FHWA) and Eddy County are hosting a public information meeting to provide an update on the U.S. 285 and N.M. 31 proposed intersection improvement study. Members of the public are invited to attend the public information meeting, view the location study presentation, ask questions and provide feedback. Due to the COVID-19 health emergency, the public meeting will be held on-line.

The meeting will take place:

- Wednesday, August 19, 2020, at 6:00 p.m. on the following weblink:
<https://global.gotomeeting.com/join/463002237> , or call 1 (872) 240-3311 and use code 463-002-237.

Study team representatives will present and provide an update on the study, which provides an engineering and environmental analysis on the intersection's existing conditions and alternatives for improvement. Information will be provided on the purpose and need for the project, existing roadway conditions, drainage, environment and revised alternatives. The introduction will begin at 6:00 p.m., followed by a presentation at 6:10 p.m. with question and comments at 7:00 p.m.
