NMDOT welcomes public input on U.S. 380 corridor improvement study
Meeting will be held on-line

ROSWELL – The New Mexico Department of Transportation (NMDOT) and the Federal Highway Administration (FHWA) are hosting a public information meeting on the U.S. 380 proposed corridor improvement study. Members of the public from New Mexico and Texas are invited to attend the meeting. The purpose of the meeting is to share proposed alternatives for the corridor and gather public comments.

The meeting will take place on-line:

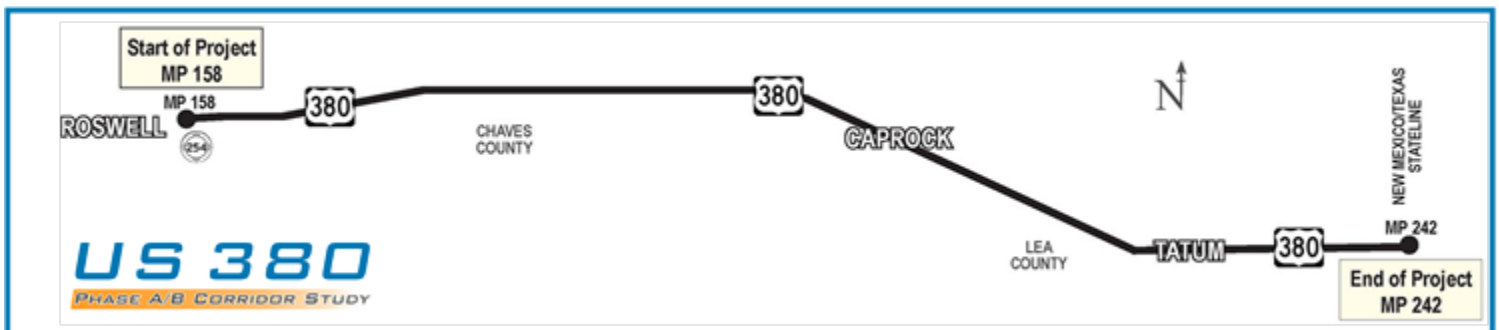

- Wednesday, March 24, 2021, at 5:30 p.m.

Register for the Zoom meeting at:

- http://project.bhinc.com/US380_AB, or call 1 (669) 900-6833 and use meeting ID 824 9315 3458.

The study team representatives will present and provide an update on the study, which includes an engineering and environmental analysis on the corridor's existing conditions and proposed alternatives. The introduction will begin at 5:30 p.m., followed by a presentation at 5:40 p.m. with questions and comments immediately after.

The U.S. 380 project limits run from the eastern Roswell, through Tatum to the New Mexico/Texas State line. Please visit the Project Website and Interactive Map at: <https://bhi.mysocialpinpoint.com/us-380-corridor-study>.
