

## **Connected Car Insurance Europe 2017 – Metromile CEO Joins the Keynote Speaker Line-up**

*TU-Automotive are thrilled to announce that Dan Preston, CEO of Metromile is joining the keynote speaker line-up at Connected Car Insurance Europe 2017 (April 19-20, London).*

([PRWEB](#)) February 14, 2017 -- Dan brings an American flavour to an already prestigious speaker line-up composed of the biggest European insurance carriers. He will be joining the likes of Aviva, Generali, insurethebox, AIG, Zurich, Direct Line Group, RSA, and MAPFRE to deliver their insights on the future of the connected motor insurance space.

Dan Preston, CEO at Metromile states: “Metromile is excited to share our journey in creating the 1st pay-per-mile business model in the U.S. and our view of how the future of the connected car ecosystem will lead to new innovation benefitting both consumers and insurers. Europe has demonstrated that they're ahead in InsurTech, and Connected Car Insurance Europe is a must-attend event to connect with like-minded companies and individuals.”

Connected Car Insurance Europe is the leading convergence of the connected motor insurance executives looking to be at the forefront of the impact of vehicle connectivity on traditional insurance models. This year the agenda tackles how to usher in a new era of mobility insurance products powered by usage based insurance data.
