

Dynamic Automotive Expands into Mount Airy with New Location

Frederick County automotive repair company acquires Twin Ridge Auto and Light Truck Service, Inc. for its sixth location

MOUNT AIRY, Md. ([PRWEB](#)) June 05, 2023 -- Dynamic Automotive, an award-winning Frederick County automotive repair company, announced they have opened their sixth location in Mount Airy, MD effective June 1. The new location will operate out of the recently acquired Twin Ridge Auto and Light Truck Service, Inc. shop on Rising Ridge Road.

“We didn’t take this decision lightly, and we wouldn’t be leaving if we weren’t positive our customers will continue to be in good hands,” said Scott Elliott, Co-owner of Twin Ridge Auto and Light Truck Service, Inc. “Dynamic Automotive shares our dedication to our community, and we believe our customers will see a seamless continuation of the high quality service and friendly staff they have come to expect.”

Dwayne Myers, Co-Owner and CEO, and Todd Zimmerman, Location Leader, of Dynamic Automotive first approached Elliott and co-owner, Earl Burroughs, the duo who founded the successful Mount Airy shop, because of their strong reputation and philosophy for taking care of their customers. The two businesses were aligned on their values and the priority they put on customer service, leading to a mutually beneficial relationship and the ultimate sale of the location.

“We feel privileged to have had the opportunity to maintain and repair Mount Airy’s vehicles all these years and it is you, our customers and friends, that are at the top of our minds during this time,” said Burroughs. “We want to thank you from the bottom of our hearts for being a part of Twin Ridge’s story and for making it so fun and fulfilling to have spent the last 26 years servicing this community’s vehicles.”

The people of Mount Airy will be the main focus for the Dynamic Automotive team as well. In addition to expert care and high quality customer service, a driving force behind Dynamic Automotive’s success is their unwavering dedication to the communities they serve.

Each location is deeply rooted in their community in various ways, frequently donating employee time and resources on top of financial support, and Mount Airy will be no exception. In addition to supporting local schools and the fire department, the new Dynamic Auto Mount Airy team will be looking for community events and nonprofit organizations to embrace.

“We are honored to assume the well-run, reliable business that Scott and Earl have built, and our main goal is to continue the good work they have done on behalf of their community for the last 26 years,” said Myers. “The opening of our sixth location is an exciting day for us, and we look forward to working with the Mount Airy community.”

Myers and fellow co-owners, Jose Bueso and Lee Forman, have accomplished much over the years, having successfully opened five other locations in Frederick, New Market, Urbana, Libertytown, and Emmitsburg—all the while maintaining their focus on education, investment in team members and the customers and communities they serve.
