

The Sought-After Midsize Sedan - 2023 Hyundai Sonata Now Arrives at Coastal Hyundai

Melbourne customers who want to own the latest 2023 Hyundai Sonata can purchase it at the Coastal Hyundai dealership.

MELBOURNE, Fla. ([PRWEB](#)) January 03, 2023 -- Coastal Hyundai is excited to announce the arrival of the 2023 Hyundai Sonata. This sought-after midsize sedan has been completely redesigned, inside and out, and offers an impressive array of standard and available features. Drivers looking for a stylish midsize sedan can browse the dealership's website: <https://www.coastalhyundai.com/> and explore its features.

The 2023 Hyundai Sonata features a bold and sporty design, with a sleek profile and stylish stance. Under the hood, it is powered by a 2.5-liter Inline-4 engine that delivers a power rating of 180 hp and 195 lb.-ft. of torque. This powertrain comes paired with an eight-speed automatic transmission with manual shift mode, giving drivers more control over how they want their driving experience to be.

Comfort is paramount in this sedan, as it offers heated seats with a power lumbar support system for maximum comfort during long drives. The newest version of Hyundai's SmartSense® suite is also included in the 2023 Sonata, allowing drivers a range of safety and convenience features like Blind Spot Detection, Forward Collision Avoidance Assist and Lane Keeping Assist. In addition, drivers get plenty of space inside the cabin due to its expansive headroom, legroom and cargo area, making it ideal for family road trips or carrying large items.

Interested customers can experience the power and performance of the 2023 Hyundai Sonata by scheduling a test drive online. For detailed information, individuals can also visit the dealership at 915 New Haven Avenue, Melbourne, FL 32901 or contact them by phone at 321-499-2999.
