MELBOURNE, Fla. ([PRWEB](#)) March 26, 2020 -- There is a lot going on in the world right now, but individuals and families shopping for a new vehicle in the Melbourne area can rest assured that they will be able to do so safely courtesy of Coastal Hyundai. The dealership's website features its entire new and pre-owned inventories, lists of specials and coupons, the option to get online credit approval, tons of informative and competitive model research and much more. The dealership will even deliver vehicles, whether purchased, leased or even just for a test drive.

With the immediate future being unclear for many people across the nation, those in need of a new vehicle might be uneasy about making the commitment, but thanks to Hyundai Assurance Job Loss Protection, even that worry can go out the window. For individuals who purchased or leased a vehicle between March 14 and April 30, 2020, Hyundai will cover up to six months of payments if they lose their job due to COVID-19 this year. In addition, Hyundai is offering 0% APR financing and 3 months of deferred payments on select new Hyundai vehicles through April 30.

Preexisting Hyundai owners in the area can rest a bit more easily as well, as Hyundai is willing to help current owners who lose their jobs or have to deal with medical difficulties due to COVID-19 before April 30 as well. Hyundai Motor Finance is willing to defer up to 3 months payments, in one-month increments, for current owners who meet the following qualifications: retail or lease customers, no more than 90 days behind in payments, no maximum monthly payment and must be able to show unemployment insurance documentation to prove loss of job.
