**Safety Recall # 2011030004
Vibration Damper**

April, 2011

Dear Mercedes-Benz Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG (DAG), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2011 E-Class vehicles with regard to the vibration damper located on your vehicle's engine. Mercedes-Benz USA, LLC (MBUSA) therefore has initiated a recall of these vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

WE SENT YOU THIS NOTICE BECAUSE WE ARE CONCERNED ABOUT YOUR SAFETY.

DAG has identified a possible inconsistency during the vulcanization process at the supplier for the vibration damper located on the engine. This can lead to insufficient adhesion between the vibration damper and its inner mass damper ring, which may cause a sudden separation of the inner ring from the vibration damper without prior warning. As a result, the kinetic energy of a separated mass damper ring can create a potential for personal injury when working in the engine compartment while the engine is running.

MBUSA therefore has initiated a voluntary recall of all potentially affected vehicles described above.

An authorized Mercedes-Benz dealer will check, and if necessary replace, the vibration damper in your vehicle.

This service will be provided free of charge. The working time required may be as much as 2 hours if it is found necessary to replace the vibration damper. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time. Please contact an authorized Mercedes-Benz dealer for additional information and to schedule an appointment at your earliest convenience. Please mention Recall Campaign #2011030004.

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return the complete letter in the enclosed envelope. If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee. If you have paid to have this recall condition corrected prior to this notice you may be eligible to receive reimbursement. Please see the reverse side of this notice for details.

Please contact an authorized Mercedes-Benz dealer should you have any questions or encounter any difficulty regarding this recall. If a dealer is unable to remedy your situation please contact us at 1-(800) FOR-MERCEdes (1-800-367-6372).

If an authorized Mercedes-Benz dealer or Mercedes-Benz USA, LLC, fails or is unable to perform this service without charge within 60 days, pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>.
