NVS-220
Petition 00244
ES13-002917

Dear Mr. Whitaker:

This is to notify you that the National Highway Traffic Safety Administration (NHTSA) has made a determination to deny the Combi USA, Inc's, July 5, 2013, petition for an exemption from the recall requirements of 49 U.S.C. Chapter 301 on the basis that a noncompliance with Federal Motor Vehicle Safety Standard No. 213, *Child Restraint Systems*, is inconsequential to motor vehicle safety.

Since this petition has been denied (copy enclosed), you must notify owners according to 49 U.S.C. 30118, 30119 and provide a free remedy according to 49 U.S.C. 30120. Pursuant to 49 CFR 573.6(c)(8)(iii), you must submit an amended Noncompliance Information Report to my office no later than five (5) working days from your receipt of this letter. The report shall include the following information: a recall population, a problem description, a remedy, and a recall schedule. If a portion of the information, which is required to fully describe the recall, is unknown, the report must still be submitted on time. The remaining information is to be provided as it becomes available.

If you have any questions regarding your recall obligations, you may contact Jennifer Timian, Chief of the Recall Management Division at (202) 366-0209.

Sincerely,

Nancy L. Lewis
Associate Administrator
