Mfr's Report Date: July 16, 2015

NHTSA Campaign Number: 15V-454

Components:

EQUIPMENT:RECREATIONAL VEHICLE:LPG SYSTEMS

Potential Number of Units Affected: 92

Problem Description:

Allied Recreation Group, Inc. (ARG) is recalling certain model year 2016 Fleetwood Flair, Storm, Terra SE, Jamboree Sport, Tioga Montara, Tioga Ranger, Holiday Rambler Admiral, and Monaco Trek vehicles. The affected vehicles may have been improperly manufactured with a vertical propane gas tank regulator, instead of the horizontal gas tank regulator required. Use of the incorrect regulator can allow moisture to build up in the regulator, possible resulting in improper operation.

Consequence:

If the regulator fails to operate properly, it can cause a propane gas leak, increasing the risk of a fire.

Remedy:

ARG will notify owners, and dealers will inspect the motorhomes and replace the regulator, as necessary, free of charge. The recall is

expected to begin August 19, 2015. Owners may contact ARG customer service at 1-800-509-3417. ARG's number for this recall is 150708ARG.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received ARG's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at 202-366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
