TNT Super Series at Cayuga Dragway for two races this weekend

Bieda's Powersports presents first Canadian double of 2012!

CAYUGA, ONTARIO (June 5, 2012) The Joe's Transmission TNT Super Series rolls into Cayuga Dragway of Toronto Motorsports Park this weekend June 9-10 bringing the best sportsman racers in the country to the southern Ontario facility.

The first stop on the Canadian side of the 2012 schedule, Bieda's Powersports in Fenwick, Ontario is presenting the double race weekend. "We'll run one complete race from start to finish on Saturday and then do it all over again on Sunday," said Ted Barnes TNTSS Director.

Many TNTSS regulars just came off an IHRA Pro Am in Pittsburgh with even more set to go to Skyview on the 16-17th. "So we should see solid car counts and the competition that the TNTSS is known for," added Ted.

Joining the TNTSS will be the Can-Am Stock/Super Stock series and bracket racing in the DSE Sportsman Racing Series, making this weekend a 'must see' for any die-hard drag racing fan.

The current Joe's Transmission TNT Super Series points leader David Surmatchewski is always tough at Cayuga and is looking to increase his points lead. Dave will have his work cut out for him though as many are vying for a spot in the Performance Improvements Race of Champions and others trying for the coveted Rookie of the Year award.

The first of two qualifying sessions will be at 11am each day with eliminations to follow. Double entry is allowed (brackets and TNTSS). Visit www.tntsuperseries.com for more information.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund pays the top five finishers and the Series Champion receives a prize package worth over \$3500.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
