TNT Super Series re-schedules RACE 1 and RACE 2 after rainouts

Sam LoVetro Automotive and Steve's Electric events combine for double header weekend!

NEW YORK (June 28, 2013) Mother Nature has not been kind to competitors in the Joe's Transmission TNT Super Series so far this season. The first two events were cancelled due to rain and now today, a third has been postponed.

The good news is RACE 1 and RACE 2 will be paired up and a new double weekend created, keeping travel costs down for the racers.

RACE 1 will happen on Friday July 26th at Elegant Builders Raceway Park in Lancaster, NY thanks to Sam LoVetro Automotive. RACE 2 follows on Saturday July 27th at Empire Dragway in Leicester, NY powered by Steve's Electric.

With 13 races in the 2013 season, TNTSS officials said they couldn't afford to lose two. And with today's RACE 6 also rained out, they will have their hands full finding alternate dates.

"I'm really pleased we were able to get these rainouts on the schedule before the Dilts Piston Hydraulics Race Of Champions. Each race is an opportunity for someone to get into the ROC or to improve their qualifying position," said Ted Barnes, TNTSS Director.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
