## **NM 6 in Village of Los Lunas To Receive Sidewalk Facelift**

**Los Lunas** – The New Mexico Department of Transportation District Three Office and contractor G. Sandoval Construction will begin work in the Village of Los Lunas this Monday, February 20<sup>th</sup>. The project is scheduled for 75 calendar days and should wrap up by May 4<sup>th</sup>, 2012.

The \$315K project from approximately Los Cerritos to Los Lentos, will consist of miscellaneous paving, curb & gutter with sidewalk, permanent signing and other miscellaneous construction. ADA components will also be included in the project.

There will be some lane closures during the project and efforts will be made to avoid westbound and eastbound peak times.

For more information, contact NMDOT District 3 PIO, Phil Gallegos at 505-798-6645.
