## *Traffic Report for week of September 8, 2013*

### **White Sands Missile Range Notification**

**For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.**

- Traffic updates are posted on the NMDOT traffic advisory web-site at [www.nmroads.com](http://www.nmroads.com) and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

### **I-10/Avenida de Mesilla and NM-28 Las Cruces, NM**

NMDOT along with La Calerita Construction continue construction as lane restrictions are posted along NM-28 between Hickory Drive and Lakeside Drive (mile marker 29.5 to 29.1). Motorists will encounter 12 foot width restriction for eastbound traffic on I-10 at exit 141 due to the driving lane being closed.

The contractor will have the westbound off ramp **CLOSED** at Avenida de Mesilla (exit 141) on **Friday September 6th** from 6:00 a.m. until 6:00 p.m. as they cross the new utility lines. Detours for I-10 westbound off ramp closure will be located at University (exit 142), and Motel Blvd (exit 138) as installation of utility lines are being installed.

I-10 EB Avenida de Mesilla (exit 141) on-ramp remains **CLOSED** until early October of 2013. Detours will be posted alerting motorists of alternate routes on University Ave. and Motel Blvd. Please reduce your speed and proceed with caution as heavy equipment is moving in and out of the work zone.

### **I-25 Socorro, NM**

The NMDOT will start guardrail repairs along I-25 between mile markers 148-149. The daily operations will start at 7:00 a.m. until 3:30 p.m. on Monday September 9<sup>th</sup>, 2013 and will continue until Friday September 13<sup>th</sup>. The left lane on the north and south bound will be closed for maintenance repairs. Motorists are advised to proceed with extreme caution and to obey traffic notifications.

### **NM-9, Animas, NM**

The NMDOT will continue the chip seal maintenance operations along NM-9 between mile markers 42-48. The NMDOT daily working hours are 7:00 a.m. until 5:00 p.m. Monday through Friday. There will be lane restriction, where a pilot vehicle will be assisting with the movement of traffic through the work zone. Motorists are advised to proceed with caution in and around the work zone due to heavy equipment and loose gravel along the roadway.

### **NM-90, Silver City, NM**

NMDOT will continue roadway maintenance on NM-90 between mile markers 27-30. Daily operations will at 8:00 a.m. until 3:00 p.m. and will last all week with weather permitting. Motorists will encounter minor delays due to lane restrictions along the roadway. Traffic control will have flagmen directing the traveling public, please obey traffic notifications.

### **NM-159 Mogollon, NM-Grant County**

NMDOT has been working effortlessly to clear roadways and culverts that have been overtaken with heavy debris due to the rain fall. Currently the NMDOT has mobilized their equipment to NM-159 in the Mogollon area from mile marker 10-25. The route currently remains **CLOSED** as motorists are encouraged to avoid this area until conditions change.

### **NM-136/ NM-273 Anthony, NM**

The NMDOT along with C.F. Jordan Construction, LLC will continue roadway rehabilitation on NM-136. Operations will start at 7:00 a.m. until 6:00 p.m. daily. The contractor will proceed with operations throughout various locations on NM-136 with intermittent lane closures for both EB and WB directions. The WB driving lane is closed at mile marker 4.5 to continue construction for the intersection of Strauss Rd/NM-136. In addition, starting at mile marker 6 all the way to the Texas State line the WB shoulder lane will continue to be closed, until the completion of the project. There is an 11' width restriction throughout this project along with a 45 MPH speed limit set in the construction zone.

On NM-273 the contractor will continue to work on mile marker 6.5 to 7 along the shoulder and multi-use path. There will be recurrent SB shoulder and driving lane closures at various locations. Shoulder work will be throughout the project at various locations, please proceed with caution and obey traffic notifications.

### **Santa Teresa Weight Station, NM**

The NMDOT will be working on the Santa Teresa Weight Station starting next week and will have intermittent east bound driving lane closures on mile marker 0.5-1. Please obey traffic notifications and proceed with caution.
