Press Release

## Roadway Rehabilitation *NM 90/Grant County*

**Las Cruces** - The New Mexico Department of Transportation (NMDOT) with Brasier Asphalt, Inc. will be conducting a Nova Chip process along NM 90 from mile marker 27 to 33.8 in Grant County beginning this week. This process will entail an overlay on the existing pavement which is intended to extend the longevity of the roadway.

Motorist traveling between Lordsburg to Silver City will encounter minor delays with a reduction in speed and lanes within the work zone.

The contractor is scheduled have the project completed by May 2<sup>nd</sup> and will be working from 7:00 a.m. to 6:00 p.m. Monday to Friday.
