Press Release

Shoulder Improvements Begin This Week on N.M. 229 in Artesia

The New Mexico Department of Transportation (NMDOT) will begin shoulder improvement work on N.M. 229 in Artesia. The work will take place from the junction of U.S. 82 north 3.3 miles on N.M. 229.

During the project motorists can expect short delays Monday thru Friday. Work is expected to be complete in two months, weather permitting. Drivers are asked to watch for NMDOT maintenance personnel working in the area, observe temporary construction signing, and reduce speed to the posted speed limits.
