US 491 Re-Opened To Traffic

Milan, NM – US 491 was re-opened to traffic yesterday afternoon upon completion of a temporary detour. Motorists are urged to use caution and follow the posted speed limit, which has been reduced to 25 miles per hour through the detour.

The temporary detour is also located within a construction zone. Skanska, USA, based out of Cortez, Colorado was awarded the \$11.4 million project in October 2012. Construction began in March, 2013 to add two additional northbound lanes along US 491.
