Press Release

## **Public Involvement Meeting for North Main Street in Las Cruces**

**Las Cruces** - The New Mexico Department of Transportation along with representatives from G. Sandoval Construction will be in attendance to discuss the project status for the US 70/N. Main Street project in Las Cruces. The NMDOT and the contractor will cover the project's progress, timeline, traffic control and any other elements related to the sequence of work that will be performed.

- **When**

Wednesday  
May 14, 2014

- **Where**

NMDOT Complex  
750 N. Solano  
Las Cruces, NM

- **Time**

6:00 p.m. to 7:00 p.m.

The contractor has placed traffic control devices along with concrete wall barriers on US70/N. Main Street from Chestnut to just south of Solano Drive interchange. Motorists are encountering lane and 10 foot width restrictions in east and westbound lanes. The contractor has excavated the median and inner lanes and is currently replacing weathered utility lines. This phase is scheduled to be completed by late August of 2014.
