Traffic Report for week of April 27, 2014

White Sands Missile Range Notification

For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at www.nmroads.com and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

N. Main/US 70 Las Cruces

The NMDOT with G. Sandoval Construction has placed traffic control devices and concrete wall barriers along US 70 from Chestnut to just south of Solano Drive interchange. Motorists will encounter one lane restrictions for both east and westbound traffic, which is limited to 10 feet within the work zone. The contractor will be working within the median and on the inner lanes; speed limit is posted at 35 MPH.

Motorists are encouraged to seek an alternate route, and to make adjustments as their daily commute as time may increase due to heavy traffic on N. Main and other adjacent streets.

Should an incident occur within the work zone and is not considered life threatening. Law enforcement is asking drivers to move their vehicles off onto a side road, or parking lot so that they can assess the situation in a controlled environment.

The City of Las Cruces will be making modifications to their bus route which can be found on their web at <http://www.las-cruces.org/Departments/Transportation/Services/RoadRUNNER%20Transit.aspx>

I-10/Mesquite & Vado Interchange

The NMDOT District One office with El Terrero Construction has placed traffic control along Interstate 10 that will affect east and westbound traffic. Motorists will encounter a reduction in lanes westbound traffic will be reduced down to one lane, and eastbound is reduced to 2 lanes as the third lane (inner lane) at Mesquite. This will allow the contractor to work within the median as they continue with subgrade preparations along medians for cross overs along interstate 10 for the Mesquite exit. Minor utility work being performed at the Vado interchange.

Motorists are encouraged to reduce speed and to proceed with caution during peak hours. All ramps are open and accessible to the public.

I-25 Socorro & Sierra County

The NMDOT with Villalobos Construction continue with bridge rehabilitation work for three (3) separate bridges that cross over I-25. The first bridge is at NM-1 which is the Luis Lopez Bridge in Socorro. This bridge is **CLOSED** as of **April 22nd** where motorists are encouraged to seek an alternate route. The **CLOSURE** will be in place for approximately 2 months.

The next bridge will be the San Marcial/exit 125 Bridge (Socorro County) with I-25/exit 79 in T or C (Sierra County) to be completed. The work at each bridge is scheduled to take approximately 2 months. The bridges will be **CLOSED** in segments as work is being conducted. Detours will be posted as work progresses from one to bridge to another.

The contractor has constructed crossovers on I-25 where traffic will be switched over in order for work to be conducted on the bridge overpass. Motorists will be advised of lane and speed restrictions. Please proceed with caution.

I-10/Avenida de Mesilla and NM-28 Las Cruces, NM

The District One office for the New Mexico Department of Transportation (NMDOT) with La Calerita Construction continues construction at Avenida de Mesilla. The contractor has westbound descending off ramp **closed** as work along Avenida de Mesilla progresses, all other ramps remain open. Traffic will continue over the eastbound bridge until the westbound bridge is completely constructed.

Construction continues on Avenida de Mesilla with lane restrictions on NM-28/Avenida de Mesilla between Hickory Loop and Lakeside Drive, and on I-10 between Motel Boulevard and University Avenue. Motorists will be able to gain access to the City of Las Cruces and the Town of Mesilla at Motel Boulevard exit 139, or University Avenue exit 142 for both east and westbound I-10 traffic.

I-10 Lordsburg area

The NMDOT with Mountain States Constructors continue with minor pavement operations along I-10 from the Arizona state line to west of Lordsburg, NM (mile marker 0-15). Motorists will encounter lane restrictions and reduction in speed within the work zone.

US 70/Organ Area

The New Mexico Department of Transportation (NMDOT) District One with Fisher Construction continues with pavement rehabilitation on a portion of US-70 east of the NASA interchange (exit 160). The work schedule has been adjusted in order to allow the contractor to work additional hours. Fisher Construction will work Wednesday's through Sunday's each week with working hours from 9:00 am until 7:00 pm during the work week, and 6:00 am until 7:00 pm during weekends. Motorists will encounter lane restrictions with a reduction in speed. Traffic control will be stationed between mile markers 161.4 to 166.25. Proceed with caution.

NM 51 East of Truth or Consequences, NM

NMDOT along with Meridian will continue work on a portion of NM-51 to improve the drainage channel by Ash Canyon. During working hours motorists may encounter minor delays, and are encouraged to adjust their schedule to accommodate their travels.

Date Street/ Business Loop T or C, NM

The NMDOT with Sandoval Construction continue with ADA repair work along Date Street, which will have alerts posted throughout the work zone. The public is reminded to avoid entering restricted areas as heavy equipment will be moving in and out of traffic.
