Press Release

U.S. 64 Pavement Preservation Work West of Shiprock

Shiprock - The New Mexico Department of Transportation (NMDOT) began pavement preservation work on U.S. 64 from mile post 14.0 to mile post 20.2 the week of May 26, 2014. This pavement preservation work is a milling and inlay process located two miles west of the U.S. 491 / U.S. 64 Intersection in Shiprock.

Motorists can expect minor delays Monday through Friday from 7:00 a.m.- 7:00 p.m. with some weekend work. There will be one lane closures with a flagger and pilot car operation though the work zone.

The pavement preservation project is scheduled for completion in July of 2014. Cutler Repaving Inc. of Albuquerque is the contractor for this project.

Drivers are urged to proceed through the work zone with caution, watch for construction personnel, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, www.nmroads.com
