Press Release

Rabbit Road Pavement Preservation Work To Begin May 30

Santa Fe—The New Mexico Department of Transportation (NMDOT) will start pavement preservation work on Rabbit Road for 3.4 miles on May 30, 2014. This pavement preservation work is a milling and overlay process.

Motorists can expect minor delays Monday through Friday from 9:00 a.m. - 5:00 p.m. with some weekend work. There will be one lane closures with a flagger and pilot car operation through the work zone.

The pavement preservation project is scheduled for completion mid-June of 2014. Brasier Asphalt Inc. of Albuquerque is the contractor for this project.

Drivers are urged to proceed through the work zone with caution, watch for construction personnel, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, www.nmroads.com
