Traffic Advisory

I-25 Bridge Work Continues August 1st Santo Domingo

Santa Fe—The New Mexico Department of Transportation (NMDOT) continues bridge rehabilitation work on I-25, mile marker 263 at Santo Domingo (bottom of La Bajada Hill) south of Santa Fe.

Starting Friday, August 1st at 8:00 p.m., the I-25 southbound lanes will be reduced to one lane. The reduced lanes will be in effect until 5:00 a.m. Monday, August 4, 2014. Motorists can expect minor delays. The bridge rehabilitation work is scheduled over the next two weekends.

This bridge rehabilitation project is anticipated to be completed by August 10, 2014, weather permitting. The Federal Highway Administration and NMDOT have partnered to fund the improvements. Interstate Highway Construction of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website www.nmroads.com
