Press Release

## **Maintenance Operations Continue for NM 28** *Mesilla, NM*

**Las Cruces** - The New Mexico Department of Transportation (NMDOT) District One Maintenance with Blue Collar Construction continues work with maintenance operations on a portion of NM 28 between mile marker 27-28 which resides in the Town of Mesilla.

The contractor has completed the crack filling and chip sealing rehabilitation work for NM 28, and will need to sweep the excess material that may be residing along the shoulders. The contractor is scheduled to perform this task on Wednesday July 2<sup>nd</sup> starting at midnight and will be working throughout the early morning until 4:00 pm that evening.

The contractor will return on Tuesday July 8<sup>th</sup> in order to place a fog sealing application on the roadway which will bond the material. The NMDOT and the contractor will place traffic control devices alerting motorists of the lane restrictions, and reduction of speed within the work zone.
