Traffic Advisory

St. Francis Drive Concrete Wall Barrier Repair

Santa Fe—The New Mexico Department of Transportation (NMDOT) will begin construction repairs to the center concrete wall barrier on St. Francis Drive (U.S. 84/285) between Alamo Drive and the NM 599 bypass.

Starting Tuesday, October 28, the northbound and southbound left lanes will be closed from 9:00 a.m. to 3:00 p.m. This project is anticipated to be completed by Wednesday, October 29, weather permitting.

Drivers are urged to proceed through the work zones with caution, observe traffic control signs and reduce speed to the posted speed limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website, www.nmroads.com
