## *Traffic Report for week of May 18, 2015*

### **White Sands Missile Range Notification**

**For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.**

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

### **I-25/Missouri Bridge**

The New Mexico Department of Transportation (NMDOT) District One office along with FNF Construction continues with work along I-25 between Lohman Avenue (exit 3) and University Avenue (exit 1).

- The contractor has the northbound restricted to one lane and width at 11 feet. The I-25 on ramp from the south side of the bridge remains closed. FNF will continue with work on the shoulder and within the median between Lohman Ave Exit 3 and University Ave Exit 1 with notifications posted from mile marker 0-5 alerting motorists of the active project.
- Motorists are advised to proceed with extreme caution as they transition through the work zone where law enforcement will continue with enforcement.

The NMDOT will be holding a Public Involvement Meeting Wednesday May 27, 2015 at the District One Complex located at 750 N. Solano in Las Cruces, NM. The meeting will start promptly at 6:00 pm with members of the NMDOT, FNF and Molzen Corbin available to answer any questions the public may have regarding this project.

### **N. Main/US 70 Las Cruces**

The NMDOT with G. Sandoval Construction have traffic control devices stationed along N. Main/US 70 from E. Greening Ave to just north of Madrid Street. Motorists will continue to encounter one lane restrictions for both east and westbound traffic, which is limited to 10 feet within the work zone. Motorists travel on Madrid will encounter a closure at the intersection of N. Main/US 70 where they will limited access with right turns.

Businesses along the corridor are **open**; please contact them for their hours of operation. The City of Las Cruces will be making modifications to their bus route which can be found on their web at:

<http://www.las-cruces.org/Departments/Transportation/Services/RoadRUNNER%20Transit.aspx>

### **NM 460 Anthony, NM**

NMDOT and Smith and Aguirre are working on installing a storm culvert drain pipe under NM 460 from Miller Street to Landers Drive. The contractor will construct a pond beside the Community Development Center, along with mill and inlay from New Mexico/Texas state line to O’Harra Road/NM 460. The project will also have new ADA compliant features such as sidewalks with landing and turnouts along NM 460.

### **NM 549 Deming, NM**

NMDOT is currently replacing a bridge located off of NM 549 between Deming and Akela (mile markers 23 to 25). Motorists will need to seek an alternate route as this section of roadway is closed as the contractor continues work along this section of roadway.

### **NM 90/Hudson Street Bridge – Silver City, NM**

NMDOT with Interstate Highway Construction continue with the staging of traffic control in preparation of the work scheduled for the bridge.

The Bridge will be CLOSED on Monday May 18, 2015 where motorists will be alerted to seek an alternate route. The NMDOT will have traffic control advising motorists that the county Tuck Bypass route will be available. San Vicente Trail will be closed at Corbin Street along with South Mill Road, and under the bridge.

The next Public Involvement Meeting is scheduled for **Wednesday June 10, 2015 at the Grant County Convention Center, 3031 Highway 180 – E, Silver City, NM**. The meeting will start promptly at 6:00 pm with members of the NMDOT and Interstate Highway Construction available to answer any questions the public may have regarding this project.
