Traffic Report for week of August 23, 2015

White Sands Missile Range Notification

For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

I-25/Missouri Bridge - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with FNF Construction (Contractor) continues work along I-25 southbound and the roadway enhancements on the intersections of Missouri Ave for Triviz Drive and Don Roser Drive.

Don Roser Drive south of Missouri will continue to be closed for reconstruction of new roadway, sidewalk, and backfilling of retainage wall, curb and gutter. Contractor will be adding lane restrictions to East Bound lane on Missouri Avenue to work on driveway entrances near Triviz Drive. Intermittent night closures of Missouri Avenue at Don Roser Drive and Triviz Drive for continued installation of electrical lines for new traffic signalization at these intersections. Continued lane restrictions on I-25 north and southbound traffic as Contractor continues with

I-25 South Bound lane overpass bridge work.

The work scheduled for Missouri Ave. between Triviz Dr and Don Roser Dr will be as follows:

- Beginning Monday August 24th to Thursday August 27th, from 8:00 pm to 6:00 am each night. The Contractor will close both East and West bound traffic on Missouri Ave. at the intersections of Triviz Dr. and Don Roser Dr. in order to continue work on the Missouri Bridge. Contractor will be stripping diaphragms and removing temporary overhangs. Contractor will be performing subgrade operations on Triviz; North and South of Missouri in order to pave the new widening sections.

The Don Roser Road Closure will remain closed for the next few weeks in order to finalize traffic control modification designs. The closure will further allow FNF to continue with the installation of the Stamped Median Concrete as well as, eliminating traffic restrictions later.

I-25 Southbound is currently complete and waiting on the final stages of paving with minor cleanup work scheduled through next week with final paving scheduled for the 31st of August and extending through the 4th of September.

The next Public Meeting will be Wednesday August 26, 2015 which will start promptly at 6:00 pm at the NMDOT Las Cruces Complex located at 750 N. Solano.

I-10/Union Bridge-University - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with La Calerita Construction continues with work at the I-10/Ramp E Bridge and the I-10/Union Ave. Bridge in Las Cruces, New Mexico. I-10 West Bound lanes will continue to be detoured through the East Bound passing lane. Speed restrictions remain in effect through the I-10 construction zone. Eastbound access to I-10 at Valley Drive and University Avenue is closed. Use Conway Avenue to access Eastbound I-10.

N. Main/US 70 - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with G. Sandoval Construction (Contractor) have placed traffic control devices stationed along N. Main/US 70 from east Greening Ave. to just north of Madrid Street. Traffic will all be shifted over to the west bound lanes in order to begin placing the median islands. Motorists may encounter a 4-Way stop at Madrid Street intersection.

The City of Las Cruces will be making modifications to their bus route which can be found on their web at:

<http://www.las-cruces.org/Departments/Transportation/Services/RoadRUNNER%20Transit.aspx>

I-25 - Socorro, NM

The NMDOT with Villalobos Construction are currently replacing guardrail and performing bridge repair work to the off ramp to Socorro at exit 147. Traffic is now open to motorists; please proceed with caution, as workers are painting on bridge.

I-25, T or C, NM – Bridge Repair

The NMDOT with Villalobos Construction are currently repairing bridges from mile maker 80.2 to 81.7 with one lane closed in each direction 24/7. Please use caution.

NM 460 - Anthony, NM

NMDOT and Smith and Aguirre are working on installing a storm culvert drain pipe under NM 460 from Miller Street to Landers Drive. The contractor will construct a pond beside the Community Development Center, along with mill and inlay from New Mexico/Texas state line to O’Harra Road/NM 460. The project will also have new ADA compliant features such as sidewalks with landing and turnouts along NM 460.

NM 90/Hudson Street Bridge – Silver City

New Mexico Department of Transportation (NMDOT) with Interstate Highway Construction (IHC) have CLOSED all access over the NM 90/Hudson Street Bridge. The NMDOT and IHC continue with the construction of the bridge overpass. The contractor has installed various notifications alerting motorists of the closures. In addition, the NMDOT will have traffic control advising motorists that the county Truck Bypass route will be available. The San Vicente Trail will be closed at Corbin Street along with South Mill Road, and under the bridge.

NMDOT and IHC will be repairing the intersection of US 180 and Bypass Road beginning on August 24th at 8:30 am and completing this operation on August 28th. Traffic will

experience slight delays due to one lane closures for repairs. There will be flaggers and traffic control set up on US 180 east and west and also on the Bypass Road.

The next Public Involvement Meeting is scheduled for **Wednesday September 9, 2015 at the Grant County Convention Center, 3031 Highway 180 – E, Silver City, NM**. The meeting will start promptly at 6:00 pm with members of the NMDOT and IHC will be available to answer any questions the public may have regarding the project.

NM 478 Mesquite to Mesilla, NM

The New Mexico Department of Transportation (NMDOT) with Paveover Inc. (Contractor) will be working on NM 478 with pilot vehicle and flagging operations. The work will consist of recycling the existing mat in order to aid in extending the longevity of the roadway. Traffic control operations will be Monday to Saturday from 7:00 am until 6:00 pm, and should be complete by the end of August of 2015.

Contractor will be working the southbound shoulder area from Tortugas to Carver from the hours of 9am to 3pm and then be working southbound lanes from mile marker 18.5 to mile marker 0 from the hours of 7am to 4:30pm; currently working in the southbound lanes from Carver to milepost 14.00.

NM 213 Chaparral, NM

The NMDOT along with J & H Supply and Smith and Aguirre Construction will be installing guardrail along NM 213 between mile marker 0 to 6.2 where motorists will encounter lane restriction as a pilot car operation and flagman will be positioned within the work zone working hours Monday to Friday from 7:00 am until 7:00 pm. The contractor should be complete by the end of August 2015.

New Mexico 11 – Chip Seal

The New Mexico Department of Transportation (NMDOT) will be chip sealing on NM 11 from the hours of 8:30 a.m. to 3:30 p.m. beginning Wednesday, August 26 through Thursday, August 27. There will be a road closure on NM 11 from Florida Street to Pear Street. All commercial traffic will be detoured at Rock Hound Road through Country Club Road. Detour signs will be posted.

I-10 – Blade Patching

The New Mexico Department of Transportation will be blade patching on Interstate 10 August 25th to August 27th 7:00 am to 3:00 pm, east bound lane, with one lane closure, mile marker 15 to mile marker 18, near Lordsburg, NM.
