Traffic Report for week of August 9, 2015

White Sands Missile Range Notification

For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

I-25/Missouri Bridge - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with FNF Construction continues with work along I-25 southbound and the roadway enhancements on the intersections of Missouri Ave for Triviz Drive and Don Roser Drive. Bixby Electric with FNF will need to continue with the installation of the electrical lines for the new traffic signalization that will be placed at these intersections.

The work scheduled for Missouri Ave at Triviz Dr and Don Roser Dr will be as follows:

- Beginning Sunday August 9, 2015 through Thursday, August 13, 2015 each night from the hours of 8:00 pm to 6:00 am.

A section of Don Roser Drive is **CLOSED** for 30 days effective Saturday July 25th at 6:00 am until the end of business on Saturday August 22, 2015. The restrictions are from Fairway Drive to Missouri Ave in order for FNF to remove the existing roadway, sidewalk curb and gutter. Once the old roadway and sidewalks are removed FNF will then begin to reconstruct a new roadway, sidewalk, backfilling of retainage wall, curb and gutter. Motorists will be alerted of detours within the work zone and are advised to seek an alternate route.

The contractors will be performing work on two separate driveway entrances where businesses and residents will be notified as this may impact the public. The contractors work scheduled will be for the week of August 10 Monday through Friday, August 14 from 6:00 am until 6:00 pm, where the work should be completed on Monday August 28, 2015.

FNF will continue with their daily operations on I-25 and bridge work around the southbound overpass. Motorists will encounter lane restrictions on I-25 for north and southbound traffic. The next Public Meeting will be **Wednesday August 26, 2015** which will start promptly at 6:00 pm at the NMDOT Las Cruces Complex located at 750 N. Solano.

I-10/Union Bridge-University - Las Cruces

The NMDOT District One office along with La Calerita Construction continues with establishing the switch in traffic as the contractor makes preparation for the westbound Union and Ramp E Bridge demolition. All traffic is shifted to the east bound lanes.

I-25 - Socorro, NM

The NMDOT with Villalobos Construction are currently replacing guardrail and performing bridge repair work to the off ramp to Socorro at exit 147. Motorists do not have access over the bridge, where detours are posted alerting motorists of the work zone. Please proceed with caution.

I-25, Socorro, NM – Bridge Repair

The NMDOT with Villalobos Construction are currently repairing bridge from mile maker 80.2 to 81.7 with one lane closed in each direction 24/7. Please use caution.

N. Main/US 70 - Las Cruces

The NMDOT with G. Sandoval Construction have traffic control devices stationed along N. Main/US 70 from E. Greening Ave to just north of Madrid Street. Traffic will all be shifted over to the west bound lanes in order to begin placing the median islands. Motorists may encounter a 4-Way stop at Madrid intersection.

The City of Las Cruces will be making modifications to their bus route which can be found on their web at:

<http://www.las-cruces.org/Departments/Transportation/Services/RoadRUNNER%20Transit.aspx>

NM 460 - Anthony, NM

NMDOT and Smith and Aguirre are working on installing a storm culvert drain pipe under NM 460 from Miller Street to Landers Drive. The contractor will construct a pond beside the Community Development Center, along with mill and inlay from New Mexico/Texas state line to O’Harra Road/NM 460. The project will also have new ADA compliant features such as sidewalks with landing and turnouts along NM 460.

NM 90/Hudson Street Bridge – Silver City

NMDOT with Interstate Highway Construction (IHC) have CLOSED all access over the NM 90/Hudson Street Bridge. The NMDOT and IHC continue with the construction of the bridge overpass. The contractor has installed various notifications alerting motorists of the closures. In addition, the NMDOT will have traffic control advising motorists that the county Tuck Bypass route will be available. The San Vicente Trail will be closed at Corbin Street along with South Mill Road, and under the bridge.

The next Public Involvement Meeting is scheduled for **Wednesday August 12, 2015 at the Grant County Convention Center, 3031 Highway 180 – E, Silver City, NM.** The meeting will start promptly at 6:00 pm with members of the NMDOT and IHC will be available to answer any questions the public may have regarding the project.

NM 78 Mule Creek southwest of Glenwood

The NMDOT Maintenance Section has reported low water crossing on NM 78 between mile markers 6 to 8 near Mule Creek. The NMDOT has posted signage alerting motorists to proceed with caution. Updates will be posted as conditions change.

NM 478 Mesquite to Mesilla, NM

The NMDOT with Paveover Inc. will continue work on NM 478 north of Mesquite from mile marker 14 to Mesilla mile marker 21.5. The contractor will have intermittent lane closures with flagging operations within the work zone. The work will consist of recycling the existing mat in order to aid in extending the longevity of the roadway. Traffic control operations will be

Monday to Friday from 7:00 am until 6:00 pm, and should be complete by the end of August of 2015.

NM 213 Chaparral, NM

The NMDOT along with J & H Supply and Smith and Aguirre Construction will be installing guardrail along NM 213 between mile marker 0 to 6.2 where motorists will encounter lane restriction as a pilot car operation and flagman will be positioned within the work zone. The contractor should be complete by the end of business Monday August 17, 2015 with their working hours Monday to Friday from 7:00 am until 7:00 pm.

Las Cruces Projects – City of Las Cruces
