Press Release

## **NM 68 / Estes Es Road Intersection – Taos**

**Taos**—The New Mexico Department of Transportation (NMDOT) will begin intersection improvement work on NM 68 and Estes Es Road (mile marker 42.2) May 18. This project will include new signalization, new lighting, a new turn lane, and ADA improvements.

Motorists can expect traffic delays Monday through Friday from 6:30 a.m. to 4:30 p.m. The northbound and southbound lanes will be reduced to one lane. The lane closures will remain in effect through August 2015, when the project is scheduled for completion; weather permitting.

Bixby Electric of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, watch for construction personnel, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, [www.nmroads.com](http://www.nmroads.com)
