Press Release

NM 409 (Bottomless Lakes Road) Pavement Rehabilitation Work to begin Tuesday, May 5th

Roswell – The New Mexico Department of Transportation (NMDOT) District Two will begin a project to improve nearly 7 miles of NM 409 (Bottomless Lakes Road) in Chaves County.

The project is expected to improve pavement and improve shoulders along the route. Work will begin May 5th and is expected to be complete in two months, weather permitting.

Drivers will have access from US 380 to NM 409 lower road for 75% of the project, the last portion of work performed will require a detour through Dexter. Message boards will be used to notify motorists of detour and keep vehicles moving safely.

For up-to-date information on this project, go to the statewide road information website at: nmroads.com.
