Traffic Report for week of November 1, 2015

White Sands Missile Range Notification

For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

Missouri/I-25

The New Mexico Department of Transportation (NMDOT) along with FNF Construction (Contractor) continues work along I-25 and the city roadway enhancements of Missouri Avenue and intersections of Triviz Drive and Don Roser Drive.

The week of November 2nd, I-25 northbound traffic shifts are scheduled to be moved closer to the Missouri Bridge. The traffic will continue to be detoured onto the southbound alignment with one lane restrictions between University Avenue and Lohman Avenue. University Avenue northbound on ramp will continue to merge into one lane, please be cautious when entering the freeway. Northbound off ramp at Lohman Avenue is scheduled to have shoulder closure beginning Tuesday November 3rd until Friday, November 6th.

City intersections of Missouri Avenue/Don Roser Drive and Missouri Avenue/Triviz Drive will continue to have active construction. Missouri will continue to have intermittent lane restrictions in both east and west bound lanes. Shoulder work on Don Roser between Missouri Avenue and Idaho Avenue has begun in the southbound lane; which is scheduled to be completed by November 3rd. Don Roser Drive between Missouri Avenue and Fairway Drive will continue to be closed. A wall barrier must be constructed before the reopening of this section.

The next Public Meeting will be Wednesday November 25, 2015 which will start promptly at 6:00 pm at the NMDOT Las Cruces Complex located at 750 N. Solano.

I-10/Union Bridge-University - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with La Calerita Construction (Contractor) continues work at the I-10/Ramp E Bridge and the I-10/Union Avenue Bridge in Las Cruces, New Mexico. I-10 westbound lanes will continue to be detoured through the eastbound passing lane. Speed restrictions remain in effect through the I-10 construction zone. Eastbound access to I-10 at Valley Drive and University Avenue is closed. The detour signs will be in place for motorists' guidance around the work zone.

The next Public Meeting will be Tuesday, November 10, 2015 which will start promptly at 6:00 pm at the NMDOT Las Cruces Complex located at 750 N. Solano.

N. Main/US 70 - Las Cruces

The New Mexico Department of Transportation (NMDOT) along with G. Sandoval Construction (Contractor) is nearing completion with only minor work left to be done to include the following: medians, shoulder work and clean up. The NMDOT is still anticipating an end of October completion date.

The City of Las Cruces will be making modifications to their bus route which can be found on their web at:

<http://www.las-Cruces.org/Departments/Transportation/Services/RoadRUNNER%20Transit.aspx>

I-25/Rincon (South of Hatch, NM)

The New Mexico Department of Transportation (NMDOT) along with MANS Construction (Contractor) currently have traffic control placed on I-25 between mile marker 35.619 to 39.0, south of Hatch, New Mexico. The Contractor has begun roadway rehabilitation by milling the existing roadway and resurfacing the interstate where motorists will encounter lane and speed reductions during working hours. The Contractor's schedule is Monday to Friday from 6:00 am until 6:00 pm, and may change as work progresses.

I-25, T or C, NM – Bridge Repair

The New Mexico Department of Transportation (NMDOT) with Villalobos Construction (Contractor) is currently repairing bridges from mile markers 80.2 to 81.7 with one lane closed in each direction 24/7. Please use caution.

New Mexico 52/New Mexico 59 - Chip Seal

The New Mexico Department of Transportation (NMDOT) along with Blue Collar Construction (Contractor) will be working on NM 59 from mile markers 0.00 to 32.00 and New Mexico 52 from mile markers 0.00 to 36.00, where motorist will encounter lane restrictions. There will be pilot car and flagman operations within work zone. Working hours will be from Monday to Sunday from 7:00 am to 7:00 pm. The work is to be completed by end of first week of November, 2015.

NM 90/Hudson Street Bridge – Silver City

The New Mexico Department of Transportation (NMDOT) along with Interstate Highway Construction (IHC) (Contractor) has CLOSED all access over the NM 90/Hudson Street Bridge. The NMDOT and IHC continue with the construction of the bridge overpass. The contractor has installed various notifications alerting motorists of the closures. In addition, the NMDOT will have traffic control advising motorists that the county Truck Bypass route will be available. The San Vicente Trail will be closed at Corbin Street along with South Mill Road, and under the bridge.

There will be patch work on Truck Bypass Road from Monday through Friday, 8:30 am to 5:00 pm until work completed.

The next Public Involvement Meeting is scheduled for 6:00 pm on Wednesday November 18, 2015 at the Grant County Administration Building, 1400 Hwy. 180 E, Silver City, NM 88061. The meeting will start promptly at 6:00 pm with members of the NMDOT and IHC will be available to answer any questions the public may have regarding the project.

US 180 East, Silver City – Mill & Inlay

New Mexico Department of Transportation along with Mountain States Construction (Contractor) has completed this project except for the second and third application of striping, which will take place on November 4th.

I-10 Lordsburg – MP 29

The New Mexico Department of Transportation (NMDOT) along with James Hamilton Construction (Contractor) will be performing bridge repair work and partial reconstruction of the

roadway at mile marker 29 beginning Tuesday, September 29th. Detour signs are being installed for traffic, which will be switched to the eastbound lane on October 29th.

I-10 Lordsburg – MP 26.73

The New Mexico Department of Transportation (NMDOT) along with Hasse Contracting (Contractor) will be performing bridge repair work at mile marker 26.73 in the west bound lane only beginning Monday, October 19th with the installation of project signing. Traffic will be switched over to the east bound lane around November 2nd.

NM 27 – MP 25.40

The New Mexico Department of Transportation (NMDOT) along with Kimo Construction (Contractor) will be performing bridge repair work at mile marker 25.40. A pre-construction conference will be held the week of November 2nd.

NM 478 Mesquite to Anthony, NM

The New Mexico Department of Transportation (NMDOT) with Paveover Inc. (Contractor) will be working on NM 478 with pilot vehicle and flagging operations. The work will consist of recycling the existing mat in order to aid in extending the longevity of the roadway. The Contractor will be working from mile markers 0 to 10.0. Traffic control operations will be Monday to Saturday from 7:00 am until 6:00 pm, and is expected to be complete by the beginning of November, 2015.

Bridge Repair - Various Locations on I-10/I-25

The New Mexico Department of Transportation (NMDOT) along with Hasse Contracting Inc. (Contractor) will be working on repairing various bridges in District One, along the I-10 & I-25 corridors. The Contractor will currently be working over I-10 near milepost 85 (Exit 85 Bridge over I-10). I-10 Westbound on-ramp at this location will be CLOSED to traffic. Motorists wanting to enter I-10 West are being directed to use on-ramps off of either N. Gold Avenue or W. Pine Street; detour signing will also be in place. I-10 West motorists using Exit 85 are advised to use caution as a single lane closure will be in effect with reduced speeds over the bridge with the possibility of overnight lane closures as well. Work in this area is expected to continue through the end of November 2015.

I-10, Exit 85 Bridge (Deming, NM)

The New Mexico Department of Transportation will be working on bridge deck at I-10, Exit 85 (near the Quality Inn Motel) beginning Monday, November 2nd for approximately one month. Bridge will be closed to westbound traffic and will not be able to access onto or out of exit westbound only.

Las Cruces Projects – City of Las Cruces

Crescent Drive

From Apollo Drive to Farney Lane will be closed to through traffic. Access to residents will be maintained at all times. Motorists will be asked to decrease speed through the construction zone and should proceed with caution.

Don Roser

From University Avenue to Terrace Drive will have intermittent lane closures. Access to residents and businesses will be maintained at all times. Motorists will be asked to decrease speed through the construction zone and should proceed with caution.

Telshor Blvd

From Spruce Avenue to 500 feet south of Summit Court will have a lane closures in the northbound direction. Access to residents and businesses will be maintained at all times. Motorists will be asked to decrease speed through the construction zone and should proceed with caution.

PLEASE NOTE: Conditions are subject to change without notice. Double fines for speeding in work zones are in effect.
