Traffic Advisory

Lane Closures Motel Blvd.
Las Cruces, New Mexico

Las Cruces - The New Mexico Department of Transportation (NMDOT) District One office along with Mountain States Constructors on roadway rehabilitation project. The contractor will be milling out the existing roadway and will place a new asphalt mat that will extend the longevity of the roadway. Interstate 10 is a heavily traveled state route that serves a main line for our bordering states, and as a source for commercial traffic.

The work is scheduled to commence on Tuesday November 23, 2015 with westbound traffic restricted to one lane from mile marker 139 (Motel Blvd exit) to 133 (Airport exit). The contractor will complete the westbound lanes and switch over to the eastbound lanes and perform the same process, this section of roadway should be complete by the first week of December 2015.

For additional information regarding this project please contact Benito Trevino, NMDOT District One Project Manager at (575) 882-2294 email - benito.trevino@state.nm.us.
