Press Release

New four-way stop scheduled for NM 128 (W. Kansas) and NM 205 (N. Third Street) in Jal

Jal – The New Mexico Department of Transportation (NMDOT) will be installing a four-way stop at the intersection of NM 128 (West Kansas) and NM 205 (N. Third Street) in Jal on Monday, October 5, 2015.

The new four-way stop will improve traffic flow at the intersection and through the community. Also included in the project are stop-ahead pavement markings and warning signs.

Local officials requested a study for the intersection, to determine if the intersection warranted a four-way stop.

The NMDOT is committed to the safety of the traveling public.
