## **Closures for I-25/Missouri Avenue Project** *Las Cruces, NM*

**Las Cruces** - The New Mexico Department of Transportation (NMDOT) and FNF Construction announce upcoming road closures in Las Cruces.

Due to recent inclement weather, a subcontractor was unable to complete the electrical line crossing over Triviz Drive. FNF and subcontractor Bixby Electrical will close Triviz Drive at the intersections of Johns Street and E. Idaho Avenue on Thursday, October 8 from 9:00 a.m. to 4:00 p.m. in order to finish this part of the project.

On Friday, October 9, the north leg of Don Roser Drive between Missouri Avenue and E. Idaho Avenue will be closed from 9:00 a.m. to 4:00 p.m. for line crossing. Detour signs will be posted. We apologize for any inconvenience this may cause.

The NMDOT and FNF will hold their next public meeting about the project on Wednesday October 28, 2015 at the NMDOT Complex located at 750 N. Solano in Las Cruces at 6:00 p.m.
