

## **InventHelp Inventor Develops Decorative Floor Mats for Vehicles (SUU-170)**

*Based in Pennsylvania, InventHelp is submitting the LIGHTED CAR MAT to appropriate companies for their review and potential feedback.*

PITTSBURGH, PA ([PRWEB](#)) January 06, 2016 -- "I recently purchased a new car and wanted some floor mats that would liven up the interior, provide additional lighting and show support for my favorite sports team," said an inventor from Fairview Heights, Ill. "This inspired me to develop my own line of decorative floor mats."

He developed the patent-pending LIGHTED CAR MAT to add a stylish element to the vehicle interior. The mat offers additional interior lighting. It also shows support for a favorite sports team, but isn't limited to just sports. The mat keeps the original flooring clean and free of stains. Additionally, they are producible in a wide variety of decorative designs and can be made for use with any make and model of vehicle.

The original design was submitted to the St. Louis office of InventHelp. It is currently available for licensing or sale to manufacturers or marketers. For more information, write Dept. 14-SUU-170, InventHelp, 217 Ninth Street, Pittsburgh, PA 15222, or call (412) 288-1300 ext. 1368.
