([PRWEB](#)) January 07, 2016 -- Steven L. Werder has completed his new book "My Spectacular Bid": a gripping and potent autobiographical fictionalized work, which takes place during the author's adolescence as he comes to understand himself and the world around him.

Steven L. Werder lives in Callaway County, Missouri. He follows all the major horse races, but has a great interest in the Kentucky Derby. He is a fan of classical rock music of the 1970's. He is particularly interested in classical cars from the 1970's.

Published by New York City-based Page Publishing, Steven L. Werder's embellished and poignant tale is as inspiring as it is entertaining. The book is a lively and thoughtfully crafted autobiographical fictionalized work. This evocative tale reminds those who read it that life will come with obstacles, but that the will to overcome is paramount to all.

This book is about the expedition of a young boy's life growing up in the 70's in a small, rural town in Callaway County, Missouri. Throughout, readers will relive the small town teenage experience, the values of lifelong friendship, determination and love, and the incredible beauty of Missouri's scenery, including a popular local hangout where a mysterious murder takes place. Additionally, readers will be drawn into the exciting adventure of a car theft operation the boy finds himself wrapped up in, which extends across state lines.

Coincidentally during the same time, another amazing story of a young American Thoroughbred, Spectacular Bid, with a legendary aura and unmistakable determination to win was occurring. The similarities between the two are evident, and the spectacular win of the 1979 Kentucky Derby is thrilling in much of the same way as the boy's triumphs.

The plot will intrigue the reader as they connect with the boy and the struggles he will face on his journey to becoming a man, including the many crossroads he will encounter along the way. My Spectacular Bid is a must read that will reveal many of life's struggles, determination, and one teenage boy's mission to make sense of it all.
