

Win a \$20,000 OffLeaseOnly Car Voucher and Support Education

Off Lease Only, the Nation's Used Car Destination, is offering a chance to win a \$20,000 voucher toward the purchase of any used car in its near 4,000 used car inventory with all proceeds benefiting a charity that provides school supplies for children in need.

Orlando, FL ([PRWEB](#)) January 26, 2016 -- [OffLeaseOnly](#), the Nation's Used Car Destination, is offering a chance to win a \$20,000 voucher toward the purchase of any used car in its near 4,000 used car inventory with all proceeds benefiting a charity that provides school supplies for needy children.

All you need is a ticket to win.

It's a dream that could really come true for anyone who stops by [OffLeaseOnly Orlando](#) on Friday, January 29th, when the used car giant will offer customers a chance to win a \$20,000 car voucher good towards any vehicle(s) of their choice as part of a "Ticket to Ride" Drawing of Chance.

OffLeaseOnly is partnering with Real Radio 104.1 and On Air personality Moira, whose passion for the charity "A Gift For Teaching" was enough to convince OffLeaseOnly to sign on in a major way.

"I am the ultimate matchmaker! I am partnering with the best charity with the most generous car dealership and am so proud to represent them both," said Moira, of the Philips Phile.

A Gift For Teaching provides essential school supplies to thousands of needy students in Orange, Seminole and Osceola Counties. All proceeds from the event will benefit A Gift For Teaching.

The very first chance to buy your tickets to win the \$20,000 car voucher will be at OffLeaseOnly Orlando from 11 a.m. to 1 p.m. on Friday, January 29th, at [7948 Narcoossee Road](#), just minutes from the Orlando International Airport. Tickets are \$50 each, or \$450 for 10. Only 1,000 tickets will be sold giving everyone an excellent chance of winning this generous prize.

The "Ticket to Ride" winner will be announced on April 2, 2016 at A Gift For Teaching's annual Back-to-School-Blast! fundraiser/auction at Rosen Shingle Creek, 9939 Universal Blvd., Orlando, FL.

"We are so thrilled that OffLeaseOnly is partnering with us. It is absolutely amazing," said Jane Thompson, president of A Gift For Teaching. "We could have an additional \$45,000 to \$50,000 that will go a long way to ensuring an additional 45,000 students get the supplies they need to learn."

The sum is significant because for every dollar A Gift For Teaching receives, \$10 worth of school supplies are distributed to students in need. That means "A Ticket to Ride" could raise enough money to provide \$500,000 in school supplies if every ticket is sold!

Nearly 200,000 students in Central Florida live at or below the poverty line with families that cannot afford school supplies. The charity was founded in 1998.

"A Gift For Teaching's vision is to ensure that each child has the basic learning tools and experiences they deserve to succeed in school and life, and Off Lease Only is helping us reach this vision this year," Thompson

added.

OffLeaseOnly owner Mark Fischer decided the \$20,000 car voucher would be a sure fire way to raise money for A Gift For Teaching.

“Instead of choosing a car to give away, I wanted everyone to have a chance at winning the perfect car for their lifestyle,” Fischer said. “Twenty thousand dollars could mean that a family gets two nearly new cars, or someone puts the voucher toward the purchase of a pricier luxury car. After all, \$20,000 goes a long way at OffLeaseOnly.”

The event marks the first time in OffLeaseOnly history that the company has offered up a credit toward any car in its inventory. Fischer and his wife Eileen have previously done several [car giveaways](#) to deserving recipients who needed assistance.

OffLeaseOnly is The Nation’s Used Car Destination with over [100,000 satisfied Off Lease Only Customers](#) and A+ Rated on the [BBB](#).
