

BAT Auto Technical recognized as a quality automotive site by GearHead Cafe.

(Warrenton, Oregon, July 11, 2001) -- BAT Auto Technical, a comprehensive automotive technical information source, has recently received a Gold GearHead Award from GearHead Cafe (<http://www.gearheadcafe.com>), The Gold sites are judged on content, functionality, graphics and usefulness to the automotive public.

(PRWEB) July 8, 2001 -- The Gold GearHead Award was made following a rigorous review of car sites. The award was made following a rigorous review of the site for content, graphics, and automotive usefulness. "We are especially delighted to receive this award, because it reflects BAT Auto Technical's professionalism and commitment to excellence," said Tony Murray, Co-founder of BAT Auto Technical. "This award is for automotive sites, especially meaningful to us and we are very proud of it."

ABOUT BAT AUTO TECHNICAL

BAT Auto Technical is one of a kind automotive technical website, where professional mechanics help people with their vehicle problems by providing professional, quality information. Where Professional, Do-it-Yourselfer, Consumer and manufacturer can gather to gain quality information to meet their needs.

Our goal is to provide a comprehensive source of automotive repair information.

A place where people can come to locate the information they need to take care of their vehicles and save time, money and headaches.
