Ramp Chevy Supports Mather Breast Cancer Center  
Dealership's Donation Program to Benefit Uninsured Women

Ramp Chevrolet of Port Jefferson Station recently donated \$3,100 to the Fortunato Breast Center at John T. Mather Memorial Hospital. The donation will benefit uninsured women with cancer.

During the month of December customers purchasing a car at Ramp Chevrolet were asked to designate a local charity that Ramp Chevrolet would make a donation to on the customer's behalf. "Giving back to the community is an important part of what we do at Ramp," stressed Sales Manager, John Catanzaro. "Mather does outstanding work for the community and we're very pleased to be able to support their work."

Added Ramp Client Manager Laura Cress, "Many people chose to earmark their Ramp donation to Mather's Fortunato Breast Center because breast cancer is such a great concern here on Long Island." Ramp customers could choose from seven local charities as part of the holiday season donation program.

Ramp Chevrolet of Port Jefferson Station is New York's number-one volume Chevrolet dealer, Suffolk County's only General Motors "Mark of Excellence" dealer and Suffolk's only AAA- endorsed Chevrolet dealership. For more information, log onto [www.rampchevy.com](http://www.rampchevy.com).
