

Car repairs are expensive enough! Post your auto mechanic ratings and comments and read what others say about auto mechanics in your area at [MechanicYak.com](http://www.mechanicyak.com).

([PRWEB](#)) November 22, 2000 -- Anyone who is searching for a reliable auto mechanic or feels the need to tell others about their garage service experience will be interested in [MechanicYak.com](http://www.mechanicyak.com). This web site is an Auto Mechanic Ratings and Comments gateway that offers a free service for consumers and mechanics alike. It gives consumers the opportunity to voice their good or bad experience on local repair shops and to search for a reputable auto mechanic from our database of over 100,000 shops nationwide. In addition, [MechanicYak.com](http://www.mechanicyak.com) gives mechanics an avenue to present themselves to more consumers through the voices of their current customer base.

[MechanicYak](http://www.mechanicyak.com) is available 24 hours a day and 7 days a week via the World Wide Web, and also can be accessed through wireless devices, which gives consumers the ability to use the service even when stranded on the roadside.
