

Reston Limousine Named Among Area's Fastest Growing Companies by Washington SmartCEO

Reston Limousine (www.restonlimo.com) has been named among the metropolitan area's 50 fastest-growing companies by Washington SmartCEO. Recognized as this area's largest private provider of shuttle, bus, and limousine services, Reston Limousine is frequently cited within the ground-transportation industry and area business community for innovative business practices, experience, and high safety standards.

Dulles, Virginia (PRWEB) January 01, 2013 -- Reston Limousine (www.restonlimo.com) has been named among the metropolitan area's 50 fastest-growing companies by Washington SmartCEO, whose mission is to educate and inspire the business community through its award-winning magazine, connections at its C-level events, and access to online resources.

Inclusion in the Future 50 Awards program is based on employee and revenue growth over the past three years. Reston Limousine will be profiled in the January 2013 issue of SmartCEO magazine and honored on Jan. 31 at the 2013 Future 50 Awards black-tie gala at the Sheraton Premiere at Tysons Corner. More than 600 area business executives are expected to attend.

Recognized as the metropolitan area's largest private provider of shuttle, bus, and limousine services, Reston Limousine (www.restonlimo.com) is frequently cited within the ground-transportation industry and area business community for innovative business practices, experience, and high safety standards. Featured in The Washington Post and the Washington Business Journal, Reston Limousine was also recognized for its growth by SmartCEO in 2009. The company anticipates revenues of \$17 million for 2012. Reston Limousine has 260 employees and operates a fleet of 170 vehicles.

"The companies we are honoring this year are growing in spite of the economic hardships we have all been facing. These companies are investing in themselves, and investing in their people and are rising above the rest. They deserve to be recognized and celebrated because they are moving our economy and this region forward," says Jaime Nespore, group publisher of SmartCEO magazine.

The Future 50 Awards program is now in its eighth year of celebrating growing companies in the Washington, DC area. According to Washington SmartCEO, the 2013 winners collectively generate \$4.3 billion in annual revenue and employ more than 21,000 individuals in the greater Washington area.

About Reston Limousine:

Reston Limousine is the Washington, DC metropolitan area's largest shuttle and limousine service and premier transportation provider. The award-winning company is nationally ranked in operational size, and among the top 10 largest shuttle bus fleets. With 260 employees and a 170-vehicle fleet, including buses, vans, limousines, and sedans, Reston Limousine serves the metropolitan area from its headquarters in the Dulles corridor and a satellite location in Capitol Heights, MD. In addition to its government shuttle transportation services, Reston Limousine is well known locally for its innovative wine country tours, and wedding, social, and VIP transportation.
