Sioux Falls, SD ([PRWEB](#)) January 01, 2013 -- [Carsforsale.com](#) dealer website designers are proud to launch an automotive website for [Tanque Verde Motors](#) in Tucson, Arizona. This website features cars, trucks and SUV inventory for sale in an easy to navigate format. In this day and age with consumers doing the majority of auto shopping online before they visit a dealership, it is vital to have a website that provides the consumer with the information they need.

Tanque Verde Motors is providing the best service to their customers by also launching a mobile version of their Carsforsale.com website. You will be able to view Tanque Verde Motors inventory details on your phone or tablet from anywhere in the world. The new website features large vehicle photos with up to 60 photos per vehicle, integrated social media buttons to allow consumers to share vehicles they find with their friends and more behind the scenes features that allow consumers to easily find their inventory.

Tanque Verde Motors vehicle inventory will be even easier to find now that it is on Carsforsale.com, which receives millions of auto shoppers a month. Their inventory will also be on their Facebook and YouTube pages, Twitter profile, [Freeclassifieds.com](#) vehicle listings and hundreds of other classifieds sites across the internet.

“We are very excited about beginning this new partnership with Tanque Verde Motors,” said Aaron Oestreich, Director of Dealer Development. “We look forward to enhancing their brand on the Internet and bringing them customers while demonstrating our commitment to customer service.”
