San Jose, California ([PRWEB](#)) January 01, 2014 -- San Jose, California England Van Lines is an experienced provider of residential and commercial moving services now offers an expedited moving service exclusively from Los Angeles to San Diego.

The new expedited moving service will fast track the moving process for any client looking to make the [San Diego move](#) from Los Angeles in as little time as possible. The fast-track process includes non-stop delivery to and from San Diego and offers clients a wider time frame in which they may be present to accept delivery at their new address.

"All too often, customers looking to make the call us up just days in advance requesting expedited moving. It's a challenge that we have rose to – and having realized the need to offer such a service, we have established a customized protocol to fast-track the moving process for those looking to re-locate to San Diego from Los Angeles and vice-versa," says a spokesperson for England Van Lines.

Customers who are looking to find a [moving company in LA](#) may now call up England Van Lines and request their guaranteed moving quote – even on short notice.

Representatives for England Van Lines have all the tools necessary to streamline the moving process specifically for a San Diego move. Delivery times from Los Angeles to San Diego have been improved thanks to new GPS systems allowing drivers to take the fastest route necessary to deliver goods under tight deadlines.

"We understand that San Diego appeals to a lot of folks living in Los Angeles because of the slower pace and slightly lower cost of living. We also understand our clients desire and need to re-locate as quickly as possible – often times because a life-changing event demands it. Anything we can do to streamline the move for them, we are happy to do so," adds the spokesperson.
