

## **A Driver's Past Can Influence His/Her Car Insurance Premiums**

*Insuranceautoquote.info (<http://insuranceautoquote.info/>) announces a new blog post explaining that some felonies affect car insurance prices.*

([PRWEB](#)) January 01, 2015 -- Insuranceautoquote.info has released a new blog post that presents several felonies that can [influence auto insurance plans](#).

Some felonies will have a major impact on car insurance rates. There are many arrests that can prevent someone from qualifying for auto insurance. Agencies consider drinking and driving as one of the most dangerous things a driver can do and may refuse many people who have a DUI arrest in their driving record.

It is important to search for online car insurance quotes to find low cost policies that offer good financial security for a vehicle. It is now possible to compare the best rates on a single website: <http://insuranceautoquote.info/>.

In order to compare auto insurance prices, clients have to complete a simple quote form. This can be done online and in just a few minutes. The quotes will be displayed on a single web page making the process very convenient for anyone.

Insuranceautoquote.info is an online provider of life, home, health, and auto insurance quotes. This website is unique because it does not simply stick to one kind of insurance provider, but brings the clients the best deals from many different online insurance carriers. In this way, clients have access to offers from multiple carriers all in one place: this website. On this site, customers have access to quotes for insurance plans from various agencies, such as local or nationwide agencies, brand names insurance companies, etc.
