

## **JBC Tire Announces Winter Car Care Package**

*JBC Tire and Service Centers of Springfield, MO and Nixa, MO wants to help drivers who want to make sure their vehicles are in good shape going into the winter months, and are offering a comprehensive Winter Car Care Package through February 28, 2015.*

Springfield, MO ([PRWEB](#)) January 31, 2016 -- [JBC Tire and Service Centers](#) of Springfield, MO and Nixa, MO wants to help drivers who want to make sure their vehicles are in good shape going into the winter months, and are offering a comprehensive Winter Car Care Package through February 28, 2015. The Winter Car Care Package includes a lube, oil change and filter for \$29.95, for up to 5 quarts of synthetic-blend oil. Also featured in the package is a complete visual inspection, a top-off of all fluids under the hood, tire rotation and pressure check of all four tires.

The Winter Car Care Package is \$59.99 with full-synthetic motor oil. While the synthetic motor oil package is more expensive, synthetic oil has been proven to outperform conventional oil in terms of protection and can be changed at 10-12,000 mile intervals (always check owner's manual for manufacturer's recommended service intervals).

JBC Tire and Service Centers offers a full selection of automotive services, such as oil changes, wheel alignments, A/C service, brake repair and much more, for drivers in Springfield, MO and Nixa, MO. JBC Tire and Service Centers is a member of the Goodyear Tire & Service Network, with tires from Goodyear, Dunlop and Kelly. As part of the Goodyear Tire & Service Network family, they honor TSN warranty coverage on alignments, brake service, belts and hoses, air conditioning service and much more. That's along with lifetime tire rotations for Goodyear, Dunlop and Kelly tires, and full warranty coverage for those tire brands.

JBCTire.com is powered by TCS Technologies. TCS Technologies, a Microsoft Certified partner, develops and markets both off-the-shelf and custom tire software solutions, web applications, ecommerce platforms and support and consulting services for tire companies across the US and Canada. TCS has built a product base which continues to prove itself as a revenue-increasing, business-streamlining asset to any size tire business. TCS Technologies has tools unmatched in the industry, and customization within each of its products to cater to the way tire dealers and retreaders do business. TCS' home office is located outside Nashville, TN in Cookeville, with a second location in Salt Lake City, UT. Visit TCS Technologies' website for more contact information at <http://tcstire.com>.
