

## **Shabana Motors Partners with Local Tax Service for 2016 Tax Season**

*Houston-based car dealership [Shabana Motors](#) has partnered with a local tax preparation service to make filing returns easy for customers.*

Houston, Texas ([PRWEB](#)) February 02, 2016 -- For the 2016 tax season, [Shabana Motors](#) has partnered with a local company, Brooks Tax Services, so that residents of Houston can file their taxes right at the dealership. Qualifying taxpayers can receive a check immediately for their IRS refunds.

"Partnering with Brooks Tax Service was just the right thing to do for our customers," said Korey Adekoya, a representative for Shabana Motors. "They can take care of their taxes with the help of a tax professional, well before the April 15th deadline. And being in the dealership, it is quick and easy for those who are looking to purchase a vehicle with their return."

Anyone is welcome to take advantage of this offer. All they have to do is walk into the dealership with their tax information. The tax professional on duty will go over the information with the taxpayer to make sure all income and deductions are covered.

If the customer is due a refund, there are several ways to receive the money. Waiting for the IRS to deposit the money in the bank or send out a check are options, but at Shabana Motors, customers can get a check for the refund amount immediately after filing.

"This service is available in our dealership through April 15th," stated Adekoya. "Customers are under no obligation to use their refund money to purchase a car from Shabana. However, we do have sales representatives available to help anyone interested in buying one."

### About Shabana Motors

Shabana Motors have proudly served the used car market here in Houston since 1979. They have been a local leader in providing affordable vehicles to people who don't have the best credit. You can learn more about the cars they offer by calling them at (713) 270-9005 or visiting [www.shabanamotors.com](http://www.shabanamotors.com)
