

## **Trucking Industry Veteran to Launch VideoProtects**

*Mike Nalepka to offer video-based technology consulting services*

Nashville, TN ([PRWEB](#)) February 08, 2016 -- VideoProtects, LLC today announces the launch of VideoProtects, an advocacy and consulting company focusing on the transportation video technology market. Founder Mike Nalepka will be the Chief Executive Officer.

With over a decade of experience consulting and recommending technology solutions for hundreds of trucking companies of all sizes, Nalepka is narrowing his focus to video-based technology solutions that will meet the needs of both commercial and passenger vehicles alike.

“This is an exciting time for video technologies in the transportation market,” said Nalepka, “We have only just begun to understand the power of video onboard trucks and cars and the possibilities for making good and potentially not so good choices are endless. The video revolution started with some early adopting commercial fleets but soon video will be commonplace in and around not just the tractor and trailer but around cars as well. The mission of VideoProtects is to inform, advocate, and consult the transportation industry on the latest video technology.”

Nalepka formerly was General Manager for Video Intelligence Solutions at PeopleNet, an industry leader in transportation telematics and commercial mobile solutions. Prior to becoming General Manager for Video Intelligence Solutions, he served as the company’s Vice President of Business Development.

Before joining PeopleNet, Nalepka held senior positions at TMW Systems, a leading transportation software provider, as Vice President of Business Development, Vice President of Region Sales, as well as Vice President and General Manager of TMW Synergize. Prior to joining TMW Systems in 2010, Nalepka was the Vice President of Sales and Fleet Imaging Solutions at DriverTech, and the National Sales Manager at McLeod Software. He has a number of awarded and under review patents by the U.S. Patent and Trademark Office.
